

I Rick Carl do declare of my own
free will and volition that I have
had sexual intercourse with a minor telling
M. Davis. There were at least four
sexual experiences with the first intercourse
occurring at the time she was 15 years
old lasting over a period of two years.

I swear at the time of intercourse she was
a minor. With the exception of one time,
I was ^{not} under the influence of alcohol. No
drugs were involved in other cases
